Enviroschool workshops scheduled for June

BATON ROUGE – Enviroschool workshops, presented by the Department of Environmental Quality, help the public better understand the agency and how it operates. In June, the workshop topic for Baton Rouge, Shreveport, Lake Charles and New Orleans will be Emergency Response 101. In this session, participants will be provided an overview of the role and activities handled by the Emergency and Radiological Services Division including: procedures regarding complaint and spill reporting, the Single Point of Contact (SPOC), DEQ role in emergencies and radiological services. The workshop topic for Alexandria and Monroe is Water Quality 101: Understanding the basics. This session will provide an overview on the Water Quality Assessment Division, understanding water quality standards and the basics of water quality protection.

The June schedule for Baton Rouge, New Orleans, Shreveport and Lake Charles is:

Thursday, June 4, 10 a.m.
602 N. 5th Street, Baton Rouge

Thursday, June 11, 10 a.m.
